PRAISE FOR ST. MARK'S.

Mrs. Benjamin Advises Portland Invalids to Go There.

The Portland Review contains the following tribute to St. Mark's hospital from Mrs. Benjamin, the well-known W. C. T. U. worker and lecturer:

The numerous friends of Glenn S. Benjamin will be glad to know that he is again at home and rapidly convalescing. Mrs. Benjamin was with her son constantly for three weeks and is a strong advocate of the cold-bath treatment for typhoid. She speaks in very commendatory terms of the entire management of St. Mark's hospital. House physicians, superintendent, nurses and matron all share in her praises. The medical staff consists of thirty-three of the most prominent physicians and surgeons in Grand Rapids. With several of these Mrs. Benjamin is personally acquainted and had opportunity to judge something of many of the others, and advises any Portland people who may be overtaken by illness in Grand Rapids to go directly to St. Mark's, where they may receive the most careful attention and most intelligent treatment. There is always a greater or less number of our residents temporarily in our second city, and though we know nothing personally of St. Mark's hospital, we are more than willing to accept the judgment of Mrs. Benjamin and publish what she has to say in our paper as tribute to that institution.
